

Lilies of the Valley Garden of Life and Remembrance

Lilies of the Valley Garden of Life and Remembrance located on Gateway Greenway on Meridian Street in downtown Huntsville is a place to celebrate and remember those affected by gynecologic cancers. The garden is maintained through donations and sale of bricks in honor of or in memory of women affected by one of the gynecologic cancers. These cancers include malignancies of the ovary, endometrium, uterus, cervix, vulva, and vagina. We also welcome brick orders "In Honor of Lilies of the Valley." Bricks are \$100 each.
